

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Steven J Korzeniewski v Abbie K Stoecker**  
Docket No. **296857**  
L.C. No. **07-000509-DM**

William B. Murphy, Chief Judge, acting under MCR 7.203(F)(1), orders:

The claim of appeal is DISMISSED for lack of jurisdiction because it was not timely filed. MCR 7.204(A). The claim of appeal was not filed within 21 days after entry of the final order appealed from and the motion for postjudgment relief was not filed within the initial 21-day appeal period, as extended to December 28, 2009 due to the Christmas Day holiday, MCR 1.108(1), or within further time allowed by the trial court during that period. MCR 7.204(A)(1). The order signed and entered by the circuit court on January 11, 2010 did not extend the time for filing the claim of appeal because it was signed and entered after the initial 21-day appeal period had already expired, and the circuit court does not have jurisdiction to extend the time for filing a claim of appeal. MCR 7.208(C)(1). At this time, appellant may seek to appeal only by filing a delayed application for leave to appeal under MCR 7.205(F).
